

# M LADIES GOLF MOONBROOK

JUNE 2008

**Coming UP!**

## Greetings!

We hope everyone has enjoyed the start of our golf season.

It is time to get ready for our traditional June Cup Tournament. We hope the weather will be favorable and everyone is warmed up and ready to play.

Please take the time to sign up with different golfers and invite new comers to golf with your group when possible.

A special thanks to Kathi Ames for crafting our fantastic Birdie Tree.

Thank you to the Member-Guest chairs, Lisa Johnson, Michelle Mole, and Dawn Lai and Member-Member chairs Lori McGowan and Kim Meabon. We are sure they are planning wonderful events.

Co-chairs,  
Paula Morris  
Marcia Stoddard

# Rules

## Rule 6: Player's Responsibilities

- Read the notices given to you by the tournament officials.
- Always use your correct handicap.
- Know your tee-time or starting time, and be there ready to play at that time.
- Make sure you can identify your own ball (put a mark on the ball in case someone else is using an identical ball).
- In stroke play, make sure your score for each hole is correct and sign your card before returning it.
- Don't unduly delay play – keep up with the group in front. Keep playing unless there is danger from lightning, you become ill, or an official tells you to stop.

## Rule 7: Practice

- You may not hit a practice shot while playing a hole, or from any hazard. Normally, practice is not allowed on the course before a stroke event, but is allowed before a match. However, a committee may alter this rule so always check the conditions of competition.

## Rule 11: Teeing Ground

- Tee your ball between the tee-markers or a little behind them. You may tee your ball as far as two club lengths behind the markers.
- If your ball accidentally falls off the tee before making your first stroke, you may replace it without penalty.

## Rule 28: Ball Unplayable

- If your ball is under a bush or in some other bad situation and you decide you cannot play it, add a penalty stroke and do one of the following:
  - a. Go back to where you played the last shot and play a ball from there;
  - b. Go back on a straight line as far as you wish, keeping where the unplayable ball lay between the hole and where you drop the ball;
  - c. Measure two club-lengths from where the unplayable ball lay, drop a ball and play from there.
