P.O. BOX 663  
JAMESTOWN, NEW YORK 14702-0663

**Dear Member,**

**Although Moon Brook Country Club has been able to weather the financial storms better than many private country clubs, the board does feel it is important that we try to increase the number of new members. To the extent that we are successful, we can minimize dues increases to existing members. The board and management of the club have made a concerted effort to limit expenses, but still maintain the quality of the club which the members expect.**

**We are announcing that we are actively seeking new members and until December 15, 2009 we will accept a limited number of new members and waiving customary initiation fees. After that date, the board will have to make a decision about dues for 2010. Enclosed is an application form and information showing the 2009 dues structure and house minimum fees. Any new application post marked no later than December 15, 2009 accompanied by a check in the amount of \$500 in partial payment of the dues will be extended this special consideration. Applicants will be subjected to the customary posting and approval process.**

**We urge you to encourage your friends and associates to consider joining the premier golf course in the area.**

**If you have any questions, please contact General Manager, Frank Vassallo.**

**Sincerely,**

**Moon Brook Country Club
