### **Guest Handicap Procedure**

For guests not a member of a golf course or club, the following policy applies:  
On or before August 5, 2011, provide a minimum of five (5) full 18-hole rounds of your guest's most recent scorecards, attested by a playing partner or signed by the Club Professional. Each scorecard must include the Course rating and slope. If the Course rating is not printed on the card, it is the guest's responsibility to find out the Course rating and print it on each card submitted.

The tournament handicap committee believes that peer review, at member golf courses, is a significant part of establishing an equitable handicap. All decisions made by the Handicap Committee are final.
