President's Message

The month of July at Moon Brook Country Club was very active. There has been weddings, golf tournaments, swimming, tennis, and the list can go on.

In July we had 2 holes in one shots.

The first was Jon Scalise, his was on #13, the witnesses tell me he hit the trees on the left and after the ball quit rattling around it went on to the green and in the hole. When asking Jon about it, he told me he just hit another one of those smooth looking shots he is famous for and the ball just went into the hole like it was meant too.

The other hole in one was by Dave Melquist. From the beginning of time Dave has been a very good athlete. Well, he proved himself again on #17. Good shot Dave. It reminds me of all those home runs you used to hit in Little League!

The Board would like to encourage all of you to come up and use the facilities. Everything is in full swing and the staff is ready to serve all of you.

On a serious note, Lisa Markham, one of our bartenders has fallen on some very difficult times. On Saturday July 24 when the big storm hit, her house was struck by lightning and was almost destroyed by fire and water damage. We have a card for her in the Lounge for all of you members to sign and leave a gift of money if you so desire. For right now Lisa, her husband and 4 children (all under 5 years of age) are without a home and not many personal belonging will able to be salvaged. This is a time when we are to help out our neighbor.

Thanks

Pete Scheira
